REVENUE NOTIFICATIONS.

NOTIFICATIONS.

No. 7.—In virtue of the powers delegated under clause XI of Government Notification No. 465, dated 19th July 1926, published on pages 1233 and 1291 of the *Fort St. George Gazette*, dated 20th September 1926, Part I, as amended by Government Notification No. 101, dated 15th March 1934, and in supersession of Government's Notification No. 9, dated 3rd July 1933, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 32 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1934 :—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately ;

(b) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack ;

(c) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district and in the Repalle and Bapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale ;

(e) of toddy shopkeepers or renters in the Mysore territory, in the Civil and Military Station, Bangalore, and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State ; and

(g) of any member of a hill tribe whether a tree-owner or not, residing in Sirumalai, Adiriyaram, Madhurvasal and Madasamudram villages of Viraggapatam taluk or in any of the villages of the Viraggapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (g) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (c) and (e) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorised village munsif in the same taluk, and the renters concerned should affix a declaration to the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukkottai and Cochin renters applying for trees in British territory, must pay the full tree-tax rate to British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the applications must contain a certificate of payment from the treasury officer, if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T. R. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headmen of the villages in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier. The procedure for the marking of trees in British territory for toddy shops in the Civil and Military Station, Bangalore will be similar to that laid down for the marking of trees in British territory for Mysore shops.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore and the Civil and Military Station, Bangalore, for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the sums when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore territory does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Kolkunta Sub-Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion in refusing to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Ryalis and Rapalle talaks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the maximum number of trees to be entered in any one application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Deccan (Arengo Wighti) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illegally tapped, on which the full free-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for:—

CROPS—GROUNDNUT—1933—SUMMER AND EARLY CROP—CONDITION REPORT.

Sowings of the summer crop of groundnut in the districts of Chittoor and North Arcot seem to be restricted owing to an insufficiency of water in the irrigation sources, and the estimate of the area for these districts made in the forecast report issued in April 1933 may have to be reduced. Actual figures will be published in the forecast report to be issued in October 1933.

Harvest of the summer crop of groundnut has commenced in parts. The yield is normal owing to timely rains during the growing period and the absence of attacks from insects.

Sowings of the early crop are restricted in Salem and above normal in Coimbatore. The condition of the crop is good.

A. R. MACEWEN,
Secretary.
